Have fun with it, and when you are done, send it back over to us as a scan or digital photograph. Be creative, and do more than one if you would like!

It may take a week or more for your drawing to be incorporated into the video. Submissions will be screened for content. While we hope to use each submission we receive, we may not be able to depending on the volume of the responses. By submitting your work you are granting permission for the Portland Museum of Art to use your submission in the Art at Home video series as well as share it across all of the museum's channels of communication including social media, portlandmuseum.org, and PMA Magazine.
