

Contemporaries

PORTLAND MUSEUM of ART

The Contemporaries are a young, diverse, and active group comprised of the region's entrepreneurs, community leaders, business owners, creatives, and influencers. Members of this group are engaged across a broad spectrum of industries, interests, and disciplines, and their energy and enthusiasm sets the course for the PMA's future.

Council Members

The Council was launched in fall 2016 to cultivate the next generation of philanthropists. Members receive unique access to the PMA, including the chance to schedule a tour of the PMA collection or special exhibition, invitations to Evening Previews and Receptions with the Judy and Leonard Lauder Director for select exhibitions, and the opportunity to attend the annual Sunset Soirée at the Winslow Homer Studio in Prouts Neck.
