

**Maine Art Education Association & Portland Museum of Art  
Standard Permission Form for Student Artwork  
2017 Youth Art Month Celebration**

Dear Parent or Guardian,

The Maine Art Education Association and the Portland Museum of Art are requesting permission to use the image of your child's artwork in a variety of online and print media. The Portland Museum of Art will use the student artwork in a slide show that will be shown at the Certificate Presentation on March 11, 2017. The museum will also use the student artwork on its own website, in its Member Magazine, and in various external media outlets as it advertises the exhibition to the general Maine audience. Student artwork used in PMA press materials will identify the student by full name, school, and grade level.

The Maine Art Education Association will send the images to Artsonia.com, the largest online student art gallery: [www.artsonia.com](http://www.artsonia.com). Artsonia's goals are to develop students' pride and self-esteem, increase their multicultural understanding through art and involve parents and relatives in student education and accomplishments. This online gallery is a unique, safe, and exciting educational opportunity for students to display their artwork. We will be joining millions of others young artists on the internet. Artsonia preserves students' privacy and anonymity by listing the artwork only under the students' first name and number—last names are never revealed. Parents can order products from the Artsonia.com Gift Shop featuring the student art images. A small percentage of the proceeds from the sales will go to the Maine Art Educations Association to support visual art education in Maine.
